

## Internships

Congressman Brady's internship program offers students the opportunity to experience Congress, as well as learn about the Congressman's role in representing Pennsylvania's First Congressional District. Adding text here

Responsibilities include:

- Attending Congressional hearings and press conferences
- Drafting hearing briefings
- Assisting with congressional research, including special projects
- Drafting constituent correspondence
- Referring letters sent by other Member's constituents
- Data entry
- Answering telephones
- and other Administrative Duties

The office is pleased to assist students requesting academic credit for their internship. We recommend that you contact local civic, community, educational and religious organizations and agencies in your community regarding their sponsorship of Congressional internship opportunities.

To apply contact the office internship coordinator at:

Congressman Robert A. Brady

206 Cannon H.O.B.

Washington D.C. 20515
