

District Services and Casework

One of my most important jobs as a Congressman is helping 1st District constituents with problems they may have regarding a federal agency. My district office staff is comprised of a group of specialists that are prepared to assist you in dealing with federal agencies.

Under the Privacy Act of 1974, I am required to obtain a written statement providing permission to obtain information from an agency on your behalf. Please know that all information provided to my office will be kept secure and confidential. The following information must be included when requesting my assistance with a federal agency:

- Name
- Telephone number
(day/evening)
- Social Security number
- Case History
- Date
- Written and signed permission
for me to inquire on your behalf
