

## White House Tours

Every Member of Congress can request tickets for tours of the White House for their constituents. The Congressional tours of the White House are scheduled Tuesday through Saturday at 8:15 a.m., 8:30 a.m., and 8:45 a.m. A ticket is required for everyone 8 years of age or older.

These tickets are always in great demand and there are many more requests from Congressional offices than there are tickets from the White House. To maximize your chance of getting tickets, please contact one of Congressman Brady's offices at least 6 weeks in advanced and if possible request more than one day that you would be available for the tour.

If we are successful in getting the tickets, our office will contact you with further information. If tickets are not available for the day you requested, you can still make alternative arrangements to tour the White House. Public tours of the White House are scheduled on Tuesdays through Saturdays from 10:00 a.m. to 12:00 p.m.
