

## NETWORK, A National Catholic Social Justice Lobby, commends Congressman Brady for strong social and economic justice voting record (5/26/06)

### PHILADELPHIA

--- NETWORK - a Catholic leader in the global movement for justice and peace, today commended U.S. Rep. Robert Brady (D., PA) for a consistently strong voting record on behalf of social and economic justice. Rep. Brady was one of just 4 of the 21-member (19 House and 2 Senate) Pennsylvania delegation of the U.S. House of Representatives who voted 100% in accordance with NETWORK's socially responsible agenda for the first session of the 109th Congress.

Sister Simone Campbell, SSS, NETWORK National Coordinator, stated, "NETWORK congratulates Rep. Brady for maintaining a principled commitment to just government policies and programs that care for the least among us. By supporting efforts for affordable housing, adequate nutrition, fair and just tax policy, and ethical trade agreements, Rep. Brady has earned the appreciation and respect of the faith-based social justice community."
