

Order a U.S. Flag

This page will provide you with information on how to order a United States Flag through my Washington office. These flags can be flown over the United States Capitol in honor or memory of a person or special occasion. You may place your order by calling my Washington D.C. office at (202) 225-4731, or by placing your order by mail. To place your order by mail, fill in the form found [here](#). which you can print out and send in.

We only accept checks for flag orders. We do not at this time accept credit cards. There is no limit on the number of flags you may order. Flags can be purchased in multiple sizes. All flags are sold at cost. Please allow 5 weeks for flag deliveries. If you choose to, you may have the flag flown over the Capitol Building. All flags flown over the Capitol are accompanied by a certificate of authenticity. Flags may be flown for a particular person, event, or organization, and may be flown on a specific date. If multiple flags are requested to be flown, they will all be flown on the same date and shipped at the same time. If you need flags flown on different dates, you must submit separate order requests for each separate date to fly the flags. Here's an example of what a certificate accompanying the flag might say:

This flag was flown for John Smith in recognition of his retirement from teaching after 40 years of dedicated service.

If you would like to learn more about our flag, the proper way to fly it, instructions for folding the flag, the words for the pledge of allegiance, or how to dispose of unserviceable flags, the American Legion web site has an informative section on the U.S. flag.
