

## Inauguration Ticket Information

### Information on the Presidential Inauguration

When and where will the Presidential Inauguration Ceremony be held? The date of the Inauguration of the 44th President of the United States is January 20, 2009. It will be held in the front of the US Capitol.

How can I get tickets for the ceremony? Each US Senator and Member of the House of Representatives will receive a limited number of Inauguration tickets, most likely in January 2009.

Unfortunately, my office has closed the list for Inauguration ticket requests. We have already received several thousand request for a very limited number of tickets. We will be contacting those on the list in the coming weeks, however the likelihood of receiving a ticket is very low.

Where can I find more information? For the most up-to-date and accurate information, you should regularly check the Joint Congressional Committee on Inaugural Ceremonies web site.
